Hi Chris,

I request please all public records as described in 1 V.S.A. § 317 (2) between the State of Vermont and Marlboro College or The Corporation Of Marlboro College, accessible by your office.

Information previously requested by myself apparently had the names and other information regarding the sender redacted pursuant pursuant to 1 V.S.A. § 317(c)(1), (3), (4), and (7). In reading these statutes, I cannot see the reason for this information sent to your office to be redacted in accordance with referenced statutes.

I would appreciation all information without redactions, or alternatively an explanation of the nature of information being redacted and why. Most or all of the redacted information received from your office from my previous request relates to the senders of correspondence to the AGO, rather than internal documents of the AGO, so I can't understand how the information can be redacted or withheld pursuant to 1 V.S.A. § 317(c)(1), (3), (4), and (7).

Thank you.

best regards,

Martin
